

Sun. Sand. Surf,
Snow. Solis!

The all-new Winnebago® Solis™ is designed to take you from surf to slope, and virtually anywhere in between. This groundbreaking campervan is built on the fuel-efficient Ram ProMaster® chassis, and includes a pop-up penthouse with FROLI® sleep system as well as our Murphy+ bed for additional

sleeping space. With a full galley, wet bath, all-season insulation and plumbing, expandable rear annex, 220-watt solar panel, two exterior wash stations and much more, the budget-friendly Solis is ready to go whenever – and wherever – you are.

Wheelbase	159"

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

2. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

3. Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

4. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
